

Project Update

Thursday, April 20, 2023

Progress to date:

As the 2023 construction season has ramped up, the following activities have been accomplished since March 2023.

- The Interstate 90 westbound ramp was temporarily closed to allow curb and gutter and asphalt to be placed.
- Asphalt placement on the eastbound off-ramps was completed.
- Colored concrete islands south of the bridge were completed.
- The new bridge was substantially completed.

Two-week look-ahead:

- The large traffic signal pole on the north side of the project will be erected, conduit installed, and the signals will be activated.
- The interchange will be converted to operate in the DDI configuration, however there will be some construction activities ongoing.
- The westbound I-90 on-ramp is expected to be reopened by Friday, April 28, 2023.
- Asphalt tie-ins of the ramps to and from the bridges will continue.
- Pavement markings will begin.
