

Interstate 90, Exit 59 Eastbound On-Ramp Temporary Closure Scheduled for Early June

For Immediate Release: Wednesday, June 1, 2022

Contact: Ellen Erickson, HDR Engineering, ellen.erickson@hdrinc.com

RAPID CITY, S.D. – The South Dakota Department of Transportation (SDDOT) says the Interstate 90 eastbound entrance ramp at exit 59 (North LaCrosse Street) will be closed beginning at 5 a.m. on Monday, June 6, 2022, to all vehicle traffic. Eastbound motorists are requested to follow the detours, and use exit 58 at Haines Avenue, and exit 60 at Elk Vale Road as an alternate route to access I-90 eastbound.

This closure will be in place through Friday, July 1, 2022, and is related to the requirement for the contractor to excavate the eastbound ramp, prepare stormwater elements, and to construct the pedestrian islands at the top of the ramp. Motorists and pedestrians are asked to be aware of construction workers and equipment in the eastbound I-90 exit 59 vicinity.

This is the second year of the project to reconstruct the interchange on I-90 at exit 59 (North LaCrosse Street). Complete Contracting of Rapid City is the prime contractor on the \$17 million project. The overall completion date of this project is June 2023.

Complete road construction information is available for this project at: <https://www.i90lacrosseddi.com/> and on <https://sd511.org> or by dialing 511.
